How: Live via phone - By dialing 480-629-9771 (Toll-free: 800-762-8779) and asking for the U.S. Concrete call 10 minutes prior to the start time. - OR - Live over the Internet - by logging on to U.S. Concrete's Web site at the address below.
Where: www.us-concrete.com

A telephonic replay of the conference call will be available Wednesday, March 2, 2011 for seven days expiring on March 9, 2011, and may be accessed by calling 303-590-3030 (Toll-free: 800-406-7325) and using the access code 4405103. An archive of the Webcast will be available shortly after the call on the Company's Web site at www.us-concrete.com within the investors section of that site.

For more information, please contact U.S. Concrete at 713-499-6222 or email lrussell@us-concrete.com.

U.S. Concrete services the construction industry in several major markets in the United States through its two business segments: ready-mixed concrete and concrete-related products; and precast concrete products. The Company has 101 fixed and 11 portable ready-mixed concrete plants, seven precast concrete plants and seven producing aggregates facilities. During 2009 (including acquired volumes), these plant facilities produced approximately 4.0 million cubic yards of ready-mixed concrete and 3.0 million tons of aggregates.
